

## **Quality Code for Higher Education**

## **College Approval Process – Approval Pro-forma (Pearson Programme)**

## **INTRODUCTION**

- The purpose of this annexe is to provide guidance on the criteria which should be met in order to grant College approval from a new/revised programme prior to seeking awarding body/organisation approval.
- The aim of the annexe is not to duplicate the requirements of the awarding body/organisation approval but to ensure all key outcomes are met.
- In deciding whether to approve a programme, the panel must have regard to the awarding body/organisation full programme approval.
