

# Animal Management and Land-based Industries

## HNC/HND in Animal Management

**Campus:** University Centre Rotherham

**Code:** D10HE01

**Type:** Full Time

The course provides you with a wealth of transferrable experience and employability skills either to take you straight into industry or onto Higher Education.

The Pearson BTEC Level 5 Higher National Diploma is recognised by Higher Education providers as meeting admission requirements to many relevant Animal Management related courses, for example:

- BSc (Hons) in Animal Behaviour and Welfare
- BSc (Hons) in Animal Management
- BSc (Hons) in Applied Animal Science
- BA (Hons) in Equine Business Management
- BSc (Hons) in Equine Management

After completing a Pearson BTEC Higher National Certificate or Diploma, students can also progress directly into employment.

### Why Study With Us?

Our lecturing staff have a wide range of expertise, having worked in a variety of animal-related industries and have many years of experience.

We have a broad range of animals at our Dearne Valley Campus, including livestock and exotics.

You will get the opportunity to be involved in the launch of our land-based retail outlet.

### Modules Covered

Level 4 units:

- Health and Welfare

- Ecological Principles
- Managing a research project
- Anatomy and Physiology
- Managing Animal Collections
