About This Course

The UAL Level 4 Professional Diploma in Creative Enterprise has been designed to provide students with the skills, knowledge and understanding necessary to develop their careers as creative professionals.

This course will provide students with an opportunity to cultivate their employability by developing their creative enterprise skills, expanding their contact base whilst developing their start-up projects and professional practice.

This course is suitable for students who have an interest in starting up their own projects or company and wish to explore and extend their creative practice via an immersive learning experience.

The course can be used as a starting point for students who have identified a specific project that they wish to work on or to enable them to explore the basis of entrepreneurial activity by developing essential business and management skills in order to identify and respond to business opportunities in their chosen industry.

What Will I Study?

The Level 4 Professional Diploma in Creative Enterprise is made up of three mandatory units. Students must complete all units to achieve the full qualification. The final grade for this qualification is based solely on Unit 3.

Course delivery uses a range of techniques to help students gain a practical understanding of entrepreneurial skills and develop the necessary knowledge and understanding needed to set up a new business within the student???s chosen industry.

Students will be exposed to a range of techniques and processes relevant to their projects and creative practice in order to define their entrepreneurial ambitions and position their creative concept. Industry standards are administered in each unit to certify that students entering the workplace are industry-ready. Students will advance their competency skill levels and take ownership of their own professional development.
